

TRANSPORTATION IN LIVORNO

Bus

Livorno bus service is operated by Compagnia Toscana Trasporti Nord (CTT Nord) that manages 16 urban routes, 2 school routes and 6 suburban routes departing from Livorno. It operates also a funicular line that connects low with high Montenero.

A detailed map of connections can be found on <http://www.livorno.cttnord.it/>

Taxi

A large number of taxis in Livorno can transfer you quickly from one side to another of the town. A Cub Service operates in the city of Livorno, tel. +39 0586 882020 <http://www.tuscanybytaxi.it/>

Bike

Thanks to the size of the historical centre of Livorno, the number of places of interest located within the city centre and the many pedestrian areas, the city is perfect for sightseeing on foot and by bicycle, which offers an affordable and exciting alternative.

Thanks to PedaLiAmo You can ride throughout Livorno in total freedom. PedaLiAmo is the new bike sharing system (since June 2016) in the city of Livorno, encouraging people to use the bike for work, entertainment or tourism. Seven stations distributed in the urban area allow people to ride across the city, choosing their own itinerary and planning its duration.

More information about where to find the bicycles can be found on <http://bicincitta.tobike.it/frmLeStazioni.aspx?ID=226>

Boat

Livornobyboat offers visitors the opportunity to admire Livorno from an unusual and interesting viewpoint. The boat tour of the Medicean canals (the so-called "Fossi") takes about one hour, and offers an unusual and amazing perspective, among elegant buildings and picturesque waterways, churches and ancient fortresses.
